

GUIDELINE OF ABSTRACT SUBMISSION

The Abstract must contain: **Background, Objectives, Methods, Results and Conclusion.** All the abstracts (not exceeding 300 words) should be submitted electronically via email nutrition@rnkwc.ac.in on or before 14 August 2023. Selected Abstracts will be published. The format of the abstract: Text in MS Word with Times New Roman, and 1.5 spacing; Title: all capitals, bold, 14 pt; Author(s): bold, 12pt; Address: 11pt; email: only one e-mail of Corresponding author should be provided; Abstract body: 12pt; Keywords: up to 5 Nos. 12pt.

GUIDELINES FOR POSTER PRESENTATION

Only for UG & PG Students. Poster size will be strictly 24"X30"(Width/Height).

GUIDELINE FOR ORAL PRESENTATION

All the paper presenters can present their topic for not more than 10 minutes (Presentation: 8 minutes and Interaction: 2 minutes)

AWARDS

Three best poster presentations (UG & PG separately)
Three best oral presentations (from Research Scholars)

REGISTRATION FEE

Students (UG/PG)	Rs. 150.00
Research Scholars/ Scientist/ Academic Faculty/ Professional	Rs. 300.00

BANK DETAILS

Name of account- IQAC Raja N.L. Khan Women's College (Autonomous)
Account No- 17480110090114
IFSC code- UCBA0001748
MICR code- 721028303

ABOUT THE INSTITUTE

Raja Narendralal Khan Women's College (Autonomous) was established with the blessings and initiative of the then Chief Minister of West Bengal Dr. Bidhan Chandra Roy in the historical Gope Palace of Midnapore in the year 1957. Gope Palace, during the period of Raja Debendra Lal Khan was an important site of freedom movement and was graced by the footprints of stalwarts like Gandhiji, Netaji and Pandit Jawaharlal Nehru. In the ensuing years, the college has registered significant growth in the areas of teaching and research and presently offers 28 subjects at the undergraduate level and 13 subjects at the post graduate level. It has been accredited as 'A' Grade by NAAC thrice in 2004, 2011 & 2017 and recognized as College with Potential for Excellence (CPE) by UGC in the year 2011. It is funded by Department of Science and Technology (DST-FIST), Govt. of India and Basic Science Research (BSR), UGC. It has been awarded the status of DBT STAR College in 2014 by Department of Bio-technology, Govt. of India. Recently this college has been conferred "Autonomous" status from the UGC. From the session 2018-2019 Vidyasagar University has kindly approved two Research Centers in "Natural & Applied Sciences" and "Humanities & Social Sciences" for conducting doctoral research in this college. At present 92 Scholars are doing their research under these two Research Centers. This college has been selected for "Study in India" programme under MHRD, Govt. of India and international student community has been getting the chance to study in this college. This year the college has been ranked 64th in 'college category' by NIRF (2023).

National Seminar

On

"Trends of Research in Health and Nutritional Sciences and Its Application in Societal Development"

August 16th, 2023

Organized by

Dept. of Nutrition,
Dept. of NSS & NSS Units &
Dept. of Multi Skilled Health Worker
In collaboration with
Internal Quality Assurance Cell (IQAC)
Raja Narendralal Khan Women's College
(Autonomous)

Venue:

Dr. B.C Roy Memorial Hall

Raja Narendralal Khan Women's College
(Autonomous)

Gope Palace, P.O: Vidyasagar University,
Dist: Paschim Medinipur,
West Bengal, India. Pin: 721102

Invitation

With great pleasure and honor, we take the privilege to invite all Scientists, Academicians, Researchers, and Students, from all parts of our country to attend the National Seminar on "Trends of Research in Health and Nutritional Sciences and Its Application in Societal Development" to be held at Raja Narendralal Khan Women's College (Autonomous) on 16th August 2023.

You are cordially invited to participate in this seminar to share your knowledge and inspire us to make the event a grand success.

Welcome you to Midnapore

With Regards.

Patron: **Dr. Jayasree Laha,**

Principal, RNLKWC[A]

Convenor: **Prof. Debjani Mukherjee,**

Associate Professor, Dept. of English & NSS PO, RNLKWC[A]

Jt. Convenor: **Dr. Rashmi Mukherjee,**

Assistant Professor & Head, Dept. of Botany (PG), & IQAC Coordinator RNLKWC[A]

Jt. Convenor: **Ms. Shrabanti Pyne,**

SACT, Dept. Nutrition & In-Charge, Dept. MSHW, RNLKWC[A]

Organizing Secretary: **Mr. Nirmalya Kumar Sinha,**

SACT & In-Charge, Dept. of Nutrition & Dept. of NSS & NSS PO RNLKWC[A]

Jt. Organizing Secretary & Treasurer: **Prof. Biswanath Nag,**

Associate Professor & Head, Dept. of Political Science & NSS PO, RNLKWC[A]

Jt. Organizing Secretary: **Ms. Shreyasi Dutta,**

SACT, Dept. of Botany & NSS PO RNLKWC[A]

Jt. Organizing Secretary: **Prof. Padma Sangmu Bomzon,**

Assistant Professor, Dept. of Nutrition & Head, Dept. of NCC & IQAC Jt Coordinator RNLKWC[A]

Members:

Dr. Holima Khatun, SACT, Dept. Nutrition, RNLKWC[A]

Ms. Deblina Giri, SACT, Dept. Nutrition, RNLKWC[A]

Ms. Modhurai Gupta, SACT, Dept. Nutrition, RNLKWC[A]

Ms. Juthika Bhunia, Dept. NSS, RNLKWC[A]

Ms. Kalyani Ghanta, NSS Units, RNLKWC[A]

ABOUT THE SEMINAR

The seminar aims to explore current trends in health and nutritional sciences and their practical applications in societal development. It seeks to delve into the latest research findings, innovative approaches, and advancements in these fields, highlighting how they contribute to improving public health, enhancing well-being, and fostering overall societal progress. The seminar intends to foster a comprehensive understanding of the intersection between research in health and nutritional sciences and its tangible impact on various aspects of societal development. The trends in health and nutritional sciences research have significantly influenced societal development. Advances in personalized nutrition, innovative healthcare technologies, and evidence-based interventions have contributed to improved public health outcomes. These trends have led to enhanced disease prevention, better management of chronic conditions, and overall well-being. The integration of cutting-edge research findings into policies and programs has the potential to drive positive societal transformations in the realms of healthcare, nutrition education, and sustainable development.

KEY AREA OF THE SEMINAR

Certainly, the topic of the seminar encompasses a multifaceted exploration of how ongoing research in the fields of health and nutrition is shaping and benefiting society at large. This intricate connection between scientific inquiry and societal advancement is manifesting in several key areas:

1. Personalized Nutrition and Healthcare
2. Functional Foods and Nutraceuticals
3. Digital Health and Wearable Technology
4. Nutrition Education and Behavior Change
5. Global Health and Food Security
6. Environmental Sustainability
7. Policy and Advocacy
8. Longevity and Aging

Keynote Speaker

PROF ALOKE BHATTACHARJEE

Professor, [Retired],
Dept of Botany,
Burdwan University,
Burdwan, West Bengal

Invited Speakers

PROF CHANDRADIPA GHOSH

Professor, Dept. of Human
Physiology,
Vidyasagar University,
Midnapore, West Bengal

PROF. KESAB CHANDRA MONDAL

Professor, Dept. of Microbiology,
Vidyasagar University,
Midnapore, West Bengal

DR. SHWETA PARIDA

Assistant Professor,
Dept. of Food Science & Technology
Kalinga Institute of Social Sciences,
Bhubaneswar, Odisha
