Respected **Prof. Prabhakar Sengupta**, Ex-Principal of Raja Narendra Lal Khan Women's College.

Respected Ex-GB members, Ex-Academic Council members, Ex Principals of Raja N.L. Khan Women's College.

Respected **Dr. Biswajit Mondal** and **Ms. Debjani Mukherjee**, teachers' representatives of the present Governing Body.

Respected dignitaries & guests, members of press and media, our beloved teachers, non-teaching staff members, students, friends, and well-wishers—

On this 67th Foundation Day we heartily welcome all and extend our sincere thanks and gratefulness and warm wishes one and all who have taken all the trouble to join us on this happy occasion.

We observe this day to renew our dreams and determination for promoting the cause of education for our learners and society at large. Education is the best means of ensuring social justice, national integrity, and communal harmony.

On behalf of Raja Narendra Lal Khan Women's College, I extend a warm welcome to you all.

Raja N. L. Khan Women's College (Autonomous) popularly known as Gope College has come a long way since the college began its journey on 22nd August 1957. Thanks to the generosity of Mrs. Anjali Khan, wife of Sri Amarendra Lal Khan of Narajole Royal Family. Our college began its journey from the historical Gope Palace with a handful of students, with unstinting support and encouragement of Dr Bidhan Chandra Roy, the-then Chief Minister of West Bengal. The Palace bears the rich legacy of hosting almost all the great political leaders,

eminent thinkers and many well-known freedom fighters of the country, in the days of the British Raj.

Over the years, our college has developed into an outstanding institution of higher education. In 2018, Raja N.L. Khan Women's College has been given the Autonomous status by UGC and confirmed by Vidyasagar University from the academic session 2018-2019 for a period of 10 years. It is the first women's college in West Bengal to receive this prestigious distinction. This year the college has been ranked 64th in 'college category' by NIRF (2023).

At present the college has 28 Undergraduate Departments and 14 Postgraduate Departments and in the near future we will be offering many more UG & PG courses. Our meritorious and disciplined students, research scholars [total 92 ongoing], highly qualified and dedicated faculty and efficient staff have earned rich accolades from various academic bodies, State Higher Education Department, UGC, CPE-II, DST FIST-I & II and MHRD, Govt. of India. Two research centres (both in Humanities and Social Science as well as Natural and Applied Sciences) have been established with the affiliation of Vidyasagar University, Midnapore, Paschim Medinipur.

It's my privilege to acclaim that Raja Narendralal Khan Women's College, despite being situated in rural surroundings at Phulpahari Mouza on the outskirts of Midnapore Town, has all the modern facilities and equipments required in higher education today. Our dynamic website provides comprehensive information regarding all academic activities. All kinds of infrastructural facilities are available within the college campus— "ICT and smart classrooms" equipped with modern teaching-aids in each Department; modernized laboratories in all science departments; language laboratory; Mentorship; Wi-Fi facilities inside the campus; hostels for the resident students within the College premises; extensive playgrounds; fully furnished gymnasium and spacious auditorium; well-stocked library; entire campus under CCTV surveillance; biometric attendance; free health check-up & medical facility; very affordable canteens and Water ATM. The college has a very active Career Advancement Centre which offers several value-added certificate courses with nominal fees and arranges regular campus interviews attended by renowned companies.

Dear students, you will be conferred your degrees today. I sincerely hope that your days in the institution has been a very enriching and fruitful experience and have played a very effective role in your academic growth and in moulding your personality. I wish you all success.

We pay our homage to all the departed souls who have left for heavenly abode during 2022-23.

NIRF (National Institutional Ranking Framework) Ranking- 2023

Our college has been ranked **64th** by NIRF among the top colleges of India this year. It should also be mentioned that only eight colleges from the state of West Bengal have secured their places within the 100 colleges of India, out of which six colleges belong to the region of greater Kolkata. Being a college from a small district-town like Midnapore, we are very proud to be ranked among the best colleges of the country.

Biodiversity Park

The Biodiversity Park has been set up inside the college campus with the administrative approval and financial sanction of Rupees Nine Lakh Eighty Thousand Four Hundred (Rs. 9,80,400.00) of the Dept. of Environment, Govt. of West Bengal last year. The park will function as an environmental education and conservation centre.

At present the initiative has the following components—

1. Restored eco-pond with indigenous fishes.
2. Wild habitat observation zone.
3. Conserved old Banyan tree.
4. Medicinal plant garden along with nursery.
5. Tropical Fruit orchard.
6. Interpretation Center supporting education and research work.

On 15th August 2023, the park has been inaugurated by Dr. H. S. Debnath, Honourable Chairman, West Bengal Bio-diversity Board.

Solar Tree

For the long-term use of green and clean energy, a solar tree has been installed within our college campus with the help of Durgapur CMERI (Central Mechanical Engineering Research Institute). The solar tree was inaugurated by the District Magistrate of Paschim Medinipur on 3rd of March 2022. This 11.55 kW peak power solar tree has a total of 35 solar PV panels, each with a power of 330 watts and can produce 35-45 units of green and clean energy on typical sunny day. The solar tree has already produced 16,293 units of electric power in our campus till 22nd of July 2023. It is producing average 42 units of power per day and 1250 units per month from the very beginning. This green and emission free solar power generation is equivalent to the reduction of 9287 kg of carbon dioxide emission to our environment.

Construction of new Main Entry Gate

The new main entry gate of the college had been constructed to commemorate the Autonomous status received from UGC. It was inaugurated on 7th December 2022 by Mr. Sukumar Roy, Managing Director, Amer-Sil Katex Pvt. Ltd., Kharagpur and Mr. Alain Cattiaus, Managing Director, Amer-Sil S.A. (Luxembourg).

Banamahotsav

Banamahotsav has been successfully celebrated this year on 14/07/2023 with the assistance of the Alumni Association “Balaka”, and the NSS of this college. 30 saplings have been planted inside the Biodiversity Park and more than 200 plants at various places of the campus. The programme was led by the principal of the college.

College Cooperative Credit Society Ltd.

The Staff Co-operative Credit Society of Raja N.L. Khan Women’s College has been working effectively over years. The last Annual General Meeting of the Society was held on 31/03/2023. Total number of BOD Meeting held during this year is 13. At present, there are 110 (T.S. – 56, N.T.S. – 24, Hostel Staff – 06 and SACT – 24) members in the society. Total amount of loan given to the members in the financial year 2022-23 is Rs. 99,02,000.00 (Ninety-nine lac two thousand).

College Land

The lease deed of college land has been extended by ADM & DLRO, Paschim Medinipur for 30 years from 22/08/2017.

Hostels

The College has six hostels at present. Nearly 500 boarders reside in these six hostels. Massive renovation work of the Pravabati Bhavan and Lavatories, and electrical repairing works of all the buildings have been done. A big kitchen has been constructed for hostel boarders. One of the old kitchens has been transformed into the Hostel Common Room with all facilities.

Supply of Water in the Campus

The Supply of water in hostels, laboratories, and staff quarters is done by Public Health Engineering Department, Govt. of West Bengal. This department supervises the pumping of water from a big well, situated at Gope Nandini at 1.5 K.M. from the college, and water is stored in a huge overhead reservoir inside the college campus, from which water is delivered. Beside this, another deep tube-well was installed inside the campus. However, during the summer season, our college campus often faces scarcity of water. The College Authority is grateful to Mr. Subrata Mukherjee, MIC, PHE & Panchayet and Rural Development for

sanctioning of one deep tube-well and one Water ATM for this college. A water filter with capacity of 3000 lt. has been installed in the hostel last year with the assistance of the Dept. of Chemical Engineering, IIT, KGP, under the supervision of Prof. Sirsendu De. Two more water filters of 1500 lit. capacity mentioned above have been installed near Rabindra Neer and Controller Section this year.

College Annual Sports 2022 – 23

The Annual Athletic meet, 2022 was held on 3rd December 2022 at our college playground. Every year College organize various intra-mural competitions of Carrom board, Badminton, Volleyball, Kho Kho, Cricket, Football from 4 to 5 days before the annual athletic meet. Dr. Jayasree Laha, Principal of the College was present at the Inaugural function of the Annual Athletic Meet.

The whole playground had been decorated with colorful flags, buntings, and plastic cones a day earlier. Sitting arrangements for the guests and spectators were made under a large canopy. The separate sections for different events and track boundaries had been drawn with white line. The principal arrived in time. She took the salute. The participants and N.C.C cadets participated in the march past. N.C.C Trainer led the march past. Smt. Susoma Mahato, the best athlete, 2022. Absence of Smt. This institute has completed 66 years of its journey. These 66 years have witnessed a tremendous and effective growth of teaching, learning in the field of value-based human development. We sincerely acknowledge the contribution made by the different Government departments, Officials, and the community members for providing us the opportunity to develop the credential in the field of teaching learning process and in the expansion of liberating force of education towards the society.

Before I conclude, on behalf of the college, we extend our thanks and gratitude to Vidyasagar University, Higher Education Department, Education Directorate, West Bengal State Council of Higher Education, West Bengal College Service Commission, Netaji Subhas Open University, West Bengal Biodiversity Board, University Grants Commission, DST-FIST, DST-CURIE, UCO Bank, SBI, Midnapore, Axis Bank, Midnapore, and other Nationalized Banks, Post Office, Home Department, Public Health Engineering, Midnapore Municipality, Paschim Medinipur Zilla Parishad, Paschimanchal Unnayan Parishad, NSS Coordinator, NCC Directorate, District Administration, Friends and Well-wishers for their infinite assistance and co-operation.

We are grateful to the honourable guests for their august presence on this occasion.

We also extend our gratitude to all other dignitaries for their presence in this programme, despite their busy schedules. We are also grateful to all our guests; media persons present in this function.

We all work for knowledge, peace, equality, love, sympathy, truth, and tolerance through our daily activities. We extend our good wishes and affection to our beloved students. We pray for their good health, pure heart, and wisdom. We have so many students working in the diverse fields for nation building. We are proud of them.

Once again, I convey my deepest regards and thanks to all who have assembled here.

Namaskar.

Dr. Jayasree Laha
